Intraday NAV (IIV)	HERD.IV	Source: US Bank. Performance quoted represents past performance and does not guarantee future results. Investment return and principal value will fluctuate, so shares may be worth more or less when redeemed or sold. Current performance may be lower or higher than the performance quoted. Visit www.paceretfs.com for the most recent month-end performance. Index returns are for illustrative purposes only. Index performance does not reflect any management fees, transaction costs, or expenses. You cannot invest directly in an index.					
CUSIP#	69374H 659	⁽¹⁾ Returns less than one year are cumulative.					
Fund Inception	5/3/19	NAV (net asset value) is the value of one share of the Fund calculated daily. The NAV return is based on the NAV of the Fund. It may not reflect the actual return for the investor.					
Management Fee:	0.15%	Market Price is the price investors can buy and sell ETF shares for in the stock market and is used to calculate market return. It is based on the price at the listed exchange market close. This is when NAV is determined for most ETFs. If shares trade at another time, the return may differ. Market and NAV returns assume that dividends and capital gain distributions have been reinvested in the Fund at Market Price and NAV, respectively.					
Acquired Fund Fees and Expenses*:	0.59%	Free Cash Flow (FCF): A company's cash flow from operations minus capital expenditures (expenses, interest, taxes, and long-term investments)					
Total Expenses	0.74%	Enterprise Value (EV): A company's market capitalization, adjusted to eliminate any capital structure bias (i.e. by adding debt and subtracting cash or cash equivalents)					
Exchange	NASDAQ Listed	Free Cash Flow Yield: FCF/EV. Measures a company's total free cash flow relative to its enterprise value. This is an internal statistic and does not constitute investor yield.					

Before investing you should carefully consider the Fund’s investment objectives, risks, charges, and expenses. This and other information is in the prospectus. A copy may be obtained by visiting www.paceretfs.com or calling 1-877-337-0500. Please read the prospectus carefully before investing.

An investment in the Funds is subject to investment risk, including the possible loss of principal. Pacer ETF shares may be bought and sold on an exchange through a brokerage account. Brokerage commissions and ETF expenses will reduce investment returns. There can be no assurance that an active trading market for ETF shares will be developed or maintained. The risks associated with this fund are detailed in the prospectus and could include factors such as calculation methodology risk, currency exchange rate risk, equity market risk, ETF risks, foreign securities risk, large-, mid- and small-capitalization investing risk, other investment companies risk, passive investment risk, sector risk, style risk, tracking risk, and/or special risks of exchange traded funds.

*Estimated for the current fiscal year. Acquired Fund Fees and Expenses reflect the Fund’s pro rata share of the indirect fees and expenses incurred by investing in one or more acquired funds, such as mutual funds, business development companies, or other pooled investment vehicles. AFEE are reflected in the prices of the acquired funds and thus included in the total returns of the Fund.
