Before investing you should carefully consider the Fund's investment objectives, risks, charges, and expenses. This and other information is in the prospectus. A copy may be obtained by visiting www.paceretfs.com or calling 1-877-337-0500. Please read the prospectus carefully before investing.

An investment in the Funds is subject to investment risk, including the possible loss of principal. Pacer ETF shares may be bought and sold on an exchange through a brokerage account. Brokerage commissions and ETF expenses will reduce investment returns. There can be no assurance that an active trading market for ETF shares will be developed or maintained. The risks associated with these funds are detailed in the prospectus and could include factors such as concentration risk, currency exchange rate risk, data and infrastructure real estate sector risk, equity market risk, European investments risk, fixed income risk, foreign sales risk, foreign securities risk, geographic concentration risk, government obligations risk, high portfolio turnover risk, index criteria risk, industrial real estate sector risk, international operations risk, large and mid-capitalization investing risk, monthly exposure risk, new fund risk, non-diversification risk, other investment companies risk, passive investment risk, REIT investment risk, retail real estate sector risk, sector risk, sector rotation risk, smaller-capitalization companies risk, style risk, tax risk, tracking risk, trend lag risk, and/or special risks of exchange traded funds.

Investors must be a registered shareholder of a fund on the record date to receive a distribution. Distributions are paid to shareholders of record on the payable date. There is no guarantee an ETF will pay dividends to investors in the future.
